

Dear Parents/Carers,

I would like to take a moment to introduce you to the Arbor Parent Portal which we be opening on **Monday, 20 October, 2025.**

You will be able to access the portal two ways; through a web browser or the Parent App (available on Android and Apple). The app and website are both free to use and will be an invaluable tool to help manage pupils information and make payments.

Setting up your account

To finish creating your account you just need to set a password. Your username is the email that we use to contact you already.

Go to <https://login.arbor.sc> and click **Forgot your password?** to finish setting up your account.

If using the App, just download the Arbor Parent App and use the same steps as above.

Navigating your account

The portal is easy to navigate but if you require further help then the link below offers some good advice on how to get places.
